Dear Sir:

In response to the Notice of Allowance, applicant notes an apparent typographical error in that it appears "claim 166" should have been written as "claim 16."

The applicant generally agrees with the Examiner's determination of reasons for allowance of the claims. However, the applicant does not necessarily agree with the Examiner's interpretation of the claims of the application. The specification and the prosecution history in their entirety provide the basis for allowability of the claims.

Respectfully submitted,
